The subject property is currently undeveloped timberland. The property is currently un-zoned.

The applicant proposes to zone the subject property to PD, Planned Development to facilitate a Townhome development.

This project was originally approved as a commercial condo project. The applicant is requesting to change the zoning of the property from un-zoned to PD, Planned Development District to restrict the property to Townhome use only.

Emergency access to the property will be by way of South Flanders Ave. and Pamplico Hwy.

Water and Sewer services will be provided by the City of Florence Public Works.

The proposed change in zoning should have little effect on the traffic flow along Claussen Road, however the entrance onto Pamplico Hwy. may cause an increase in traffic flow.
